College Road, Savar, Dhaka

PROFESSIONAL SUMMARY

Business Intelligence Analyst with hands-on experience in developing Power BI dashboards, automating ETL workflows, and analyzing cost, inventory, production, delivery, and performance data in the textile and manufacturing industry. Proficient in Power BI, DAX, Power Query, Excel, SQL, and Python for data extraction, transformation, modeling, validation, and visualization. Skilled at converting complex, multi-source datasets into accurate reports and actionable management insights, with additional experience in teaching Data Analytics, Power BI, and SQL.

EXPERIENCE

Junior Business Intelligence Analyst | Zaber & Zubair Fabrics Ltd. - A Concern of Noman Group

Cost & Inventory Department | December 2025 - Present

- Develop and maintain interactive Power BI dashboards and management reports for cost, inventory, production, delivery, and KPI performance in textile manufacturing.
- Extract, clean, transform, consolidate, and validate multi-source data using SQL, Excel, Power Query, and Python.
- Build DAX measures, optimized data models, data tables, relationships, and dynamic reports for trend, variance, and performance analysis.
- Automate recurring ETL, data preparation, validation, and reporting workflows for Pretreatment, Printing, Dyeing, Chemical Cost, Delivery KPI, and Shortfall/WIP datasets.
- Utilize **Data Engineering** tools and optimized ETL methods to substantially reduce data refresh time and improve processing speed, efficiency, and reliability.
- Refactor large, resource-intensive Power BI reports using efficient data models, optimized queries, and modern development practices, making them lighter, faster, and easier to maintain.
- Analyze process charges, overhead costs, contribution margins, and buyer- and product-level performance to identify cost drivers and support management decisions.
- Collaborate with business users to translate reporting requirements into practical dashboards, improve data accuracy, and optimize reporting performance.

Trainer - Part-time | Interactive Cares

August 2025 – May 2026

- Conducted online and offline training sessions on Data Analytics and Business Intelligence on behalf of Interactive Cares.
- Delivered practical sessions on Power BI, SQL, and Python for students and club members from various universities.
- Covered data cleaning, analysis, SQL querying, data visualization, and Power BI dashboard development using real-world examples.

Analyst | SEBPO

Data Solution and Due Diligence Department | June 2024 - December 2024

- Performed profile-matching and due-diligence checks using identity attributes such as name, address, and age.
- Maintained accuracy and attention to detail while processing high-volume profile data under strict quality requirements.

PROFESSIONAL PROJECTS

Process Charge, Overhead & Contribution Margin Analysis | *Power BI, Power Query, DAX*

- Developed a dashboard to analyze process income, overhead costs, contribution margin, dyes and chemical cost per yard, product mix, buyer profitability, trends, and performance variance.
- Used Power Query, DAX, and a unified data model to automate KPI calculations and management reporting.

Textile Production & Chemical Cost ETL Automation | *Power BI, Python, Power Query, Excel*

- Built reusable data-cleaning and consolidation workflows for Pretreatment, Printing, and Dyeing production and chemical-cost data.
- Applied data validation, mandatory-field checks, transformation rules, and calculated columns to improve reporting accuracy.

Delivery & Marketing KPI & Shortfall/WIP Monitoring | *Python, Excel, Power BI*

- Prepared automated data-cleaning and consolidation workflows for delivery KPI and daily Shortfall/WIP reporting.
- Produced status-based and department-level performance breakdowns for operational monitoring.

SELECTED PORTFOLIO PROJECTS

- RFM Segmentation with SQL
- Statistical Hypothesis Testing with Real-Life Examples
- A/B Testing with Real Cases
- Packaging Appeal vs. Purchase Behavior - Chi-Square Test of Independence
- RFM Segmentation with Python and K-Means Clustering
- Uber Trip Analysis - Interactive Power BI Dashboard
- Student Data Analysis Dashboard - SQL, Python, Power BI
- Sales Analysis with Power BI

Portfolio: [View all projects in the GitHub repository](#)

TECHNICAL SKILLS

- **Business Intelligence:** Power BI, DAX, Power Query, Data Modeling, Star Schema, Power BI Service, KPI Reporting, Dashboard Optimization
- **Data Analysis & Automation:** SQL, Python, Excel, Tabular Editor, Measure Killer, ALM Toolkit, Airflow, dbt, Apache Spark, Docker, Pandas, SQL Alchemy, PivotTables,
- **Databases & Connectivity:** MySQL, PostgreSQL, Oracle, Big Query, ODBC
- **Tools & Platforms:** Git, GitHub, Word, PowerPoint, Canva, Google Docs, Sheets, Slides; Windows, macOS, Linux

EDUCATION

Qualification	Institute	Result	Year
B.Sc. in CSE	Daffodil International University, Dhaka	CGPA 3.49/4.00	2024
HSC - Science	Rajshahi Government City College, Rajshahi	GPA 4.25/5.00	2018
SSC - Science	Belna High School, Rajshahi	GPA 5.00/5.00	2016

CERTIFICATIONS

- Data Science and Machine Learning - [Interactive Cares](#)
- Data Analysis with Power BI - [Interactive Cares](#)
- Artificial Intelligence (AI) - [Ostad](#)

PROFESSIONAL STRENGTHS & CONTENT CREATION

- **Content Creation:** Create technical educational content for the [Dropout Programmer](#) YouTube channel, covering Power BI, Excel, SQL, Python, Statistics, Data Science, Machine Learning, and coding tutorials.
- Work effectively under pressure and manage multiple responsibilities in high-volume environments.
- Quick learner with strong problem-solving, mentoring, and team-leadership abilities.

ACHIEVEMENTS & AWARDS (PROBLEM SOLVING)

- [Codeforces Contest Rating: 1000+](#)
- [CodeChef Contest Rating: 1400+ \(2 Star\)](#)
- [HackerRank: 2 Star](#)
- Ranked Top 38 in Code Samurai 2022 Hackathon among 250+ teams
- Ranked Top 44 in the CTO Forum Hackathon among 200+ teams at DIU-IUH 2021
- Prefect, Dive in Android 2.0 - Comprehensive Android Bootcamp, CPC-21

EXTRACURRICULAR ACTIVITIES

- **Vice President and Student Advisor, Development Wing - [DIU Computer and Programming Club](#) | Jan 2022 - Jan 2023** | Birulia, Savar, Dhaka
- [Volunteered at NGPC 2022](#)

LANGUAGE PROFICIENCY

Language	Proficiency
Bangla	Native proficiency
English	Professional working proficiency
Hindi	Conversational proficiency

PERSONAL INFORMATION

Field	Details
Name	Md. Mahamud Mredha
Father's Name	Md. Sharitulla Mredha
Mother's Name	Mst. Nasima Begum
Religion	Islam
Gender	Male
Date of Birth	May 27, 2000
Place of Birth	Mohanpur
Permanent Address	Village: Melandi, Post Office: Gocha, Police Station: Mohanpur, District: Rajshahi
Nationality	Bangladeshi
Marital Status	Married
Blood Group	A (+ve)
Hobbies	Teaching, Travelling, Helping

DECLARATION

I hereby declare that the information provided in this CV is true and accurate to the best of my knowledge.

Md. Mahamud Mredha
